FAREWELL PARTY

"I'd Like to buy the world a coke and keep it company" is the way the song goes. Silvina Pereyra of Mendoza, Argentina, exchange student "daughter" of Mr. and Mrs. David McCormack of Mattapoisett Neck did just that as she and her McCormack family invited exchange students from the area to a party that was part farewell and part birthday party for Silvina, Keh Tung, a graduate student at the University of Massachusetts and also living with the McCormacks, and Kristin McCormack. The students from South American, Holland, Finland, Japan, France and other countries sang, danced and laughed

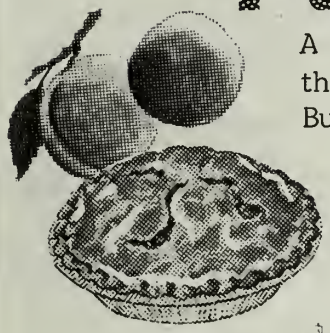
Pack a PICNIC!



A picnic is an old-fashioned, simple pleasure that never fails to bring enjoyment to all ages. But no old-fashioned labor for you! Instead, stop at Little Bay for conveniently packaged meats, salads, rolls, desserts, the freshest fruits and, of course, for gala "dining out" there's nothing like our best steak. (We even have the charcoal.) Make a summer memory!

July 4 Road Race

The Mattapoisett Sports and Athletic Committee, sponsors of the tremendously successful July 4th Roadrace last year, announce that this year's race will be run on the celebration date, July 4th, at 5:00 P.M. A new division was created last year for "ancients" in the 26 year and older classification. The age categories are now set at: 12-15, Junior boys; 16-25, Senior boys; 26 and older (men); and 12 and older (damsels). As in the past, all boys and girls, men and women, from the towns of Rochester, Marion or Mattapoisett, ages 12 to 150, are eligible to compete. Boys and girls, aged 12-15, will be required to provide parent signature approval on the application form. A total of twenty trophies, five to the top five finishers in each division, will be awarded. In addition, soda, and watermelon will be awarded to all finishers.

All runners are to report to the Mattapoisett Town Beach parking lot before 4:30 P.M. in order to participate. Applications may be obtained and submitted at that time. Applications are now available at the Rochester

FLYING GOLFER

Until Jack Nicklaus swept to a three-shot victory in last year's Eastern Airlines-sponsored Westchester Classic, no golfer had ever won the $250,000 event twice.

The 150 top touring professionals will stop for the Westchester Classic, Aug. 2-5, at the Westchester Country Club in Harrison, N.Y. Tour favorites and past champions Arnold Palmer, Bruce Crampton, Julius Boros and Frank Beard also will be on hand. The Hughes Sports Network will televise the last two days of play nationally.

As one of the tour's richest events, the Classic annually gives a percentage of its proceeds to six Westchester county hospitals. Over the past six years, it has donated more than $1.8 million to the fund.

Nicklaus dominated the 1972 Classic with rounds of 65-67-70-68--270. His 18-under par total left him three strokes in front of his nearest rival, Jim Colbert, who, although shooting a flawless 65 on the last day, wasn't able to catch the tour's all-time money winner.

list with him to investigate the possibilities that each might present. Presumably he will have some answers in the near future.

1. In the not too distant future, the Town of Mattapoisett will have to construct a multi-million dollar sewage disposal system. What are the chances and how do we go about obtaining federal matching funds for this purpose?

2. The pressure is constantly on towns like Mattapoisett to construct more and more low cost housing. With each such house the other taxpayers have to subsidize the schooling of its children to the tune of about $2,000. Such houses pay only about $300. of the school costs which amount to upwards to $2,000. for a two-child family.

3. As you have probably noticed, out harbor is completely exposed to the strong southeast storm winds. The Corps of Engineers has just advised us that they could not undertake a proposed 3 million dollar program to provide protection by building breakwaters. Is it possible that you could do something about this?

4. The Town needs some help in lowering some of the requirements for construction of

homes in the flood prone areas under the HUD Flood Insurance Program. Can anything be done about this?

5. The biggest single problem in this as well as other communities is the ever increasing tax rate primarily caused by rising school costs. Is there any federal program in the works to help communities with this major problem?

6. The Town has tentative plans for expanding its water system to additional parts of town at a cost of about $350,000. Will federal funds be available for matching purposes?

7. What is being done about the fishing industry as far as more control over foreign fleets and interference with our lobster fishermen?

Auto loan sail

Your next car might come equipped with a boat.

Buy that newer car now, and we'll give you a shot at one of four "Sea Swinger" sailboats. These sleek little craft are easy to carry, almost maintenance free, and lots of fun to sail.

To be eligible to win one, simply come to either our Middleboro or Mattapoisett office between May 1 and July 27 and get yourself a car loan. Then just sit back and relax until June 30th, the date of our first drawing.

If your name isn't drawn the first time, don't give up the ship. You're still eligible for a second drawing on July 31st.

But no matter how it goes, you're a winner either way. Because with a Plymouth-Home National car loan you get "same day" service, free life insurance, and low rates. And if you charge your payments against a Plymouth-Home checking account, you get even lower rates.

So don't put it off any longer. Sail into Spring with a newer car — and maybe even a boat — with a car loan from Plymouth-Home National.

Keeping The Parks Safe for Mankind

Editorial, D.C.J.

Signs now ban dogs from Mattapoisett parks. Supposedly, this will keep the parks clean, unspoiled and an inspiration for nature lovers.

What are the facts?

There are no recorded instances in history where four-legged animals spoiled their natural habitat. The only animal that systematically destroys his natural element is man. These instances of destruction are far oo numerous to record. Tiny areas of natural eauty are preserved by man, amid the ruins, nd are called parks. These parks now face threat so we have banned four-legged ani- ials so that man can sit upon the new mown rass in the dusk of the evening confident iat his fanny will remain clean. Oh yeah?

If Mattapoisett is truly interested in pro- ecting the parks, let's examine the record of destruction. For the past year, look up the cost of replacing translucent panels and 300-watt bulbs in the bandstand. Presumably some of this broken glass landed in the grass. Inquire into the cost of repairing the damage to the fishermen's locker on the wharf. Two-legged animals made a shambles of this convenience. Look into the public toilets at the park if you are really interested in the cleaning up of the town's image. Did the dogs walk off with the fireplace units at Veterans' Park leaving tons of rubbish in return?

BIG DOC,

OUR TELLER OUT FRONT

National Bank of Fairhaven

MEMBER F.D.I.C.

Now that culprit dogs are banned from the public parks, can you confidently plunk your fanny into the clean grass in the dusk of evening? You best check carefully for beer cans, broken glass, messy papers and various other discards of the non-canine world.

Dogs are banned from the parks entirely. They are tolerated on the street only on the leash. There is no place left for them to run joyously free with the wind streaming through their whiskers.

What has been accomplished? Time will tell. Perhaps we have banned the least offensive animal.

I would like to propose, in all sincerity, that we open one park to dogs under the control of their owners. Let dogs walk and run free in Veterans' Memorial Park. I suggest

The Board of Selectmen has banned motorized vehicles from the railroad embankment leading from Railroad Avenue along the old railroad right of way to the Mattapoisett River.

STORM WINDOWS INSTALLATION

Combination screen and storm windows will be installed on the second floor of the Mattapoisett Town Hall. The Veterans' Administration, Council on Aging and numerous other committees are meeting on this floor through the summer, and the screens will allow them to open the windows.

All motorboats must be registered for 2 years at a cost of $10.00 and $5.00 for each year under House Bill 2330. All craft propelled by machinery are affected under this law.

FIVE TOWNS TO MEET ON CABLE TV

There will be a meeting of 5 area towns in Wareham to decide how to initiate action, if any, on Cable TV. The meeting will determine if the towns want to regionalize to attract other applicants. The cut-off date for applications is the fall of this year. If the towns decide to regionalize, a 5-Town Committee will form to receive applications. The schedule calls for a hearing on Cable TV. All towns must hold such a public hearing by July 16th. If opinion is favorable, then regionalization will be considered among the 5 towns.

RECORDS TO COST 25¢

Persons desiring copies of any town record will be charged 25¢ per copy.

INSURED

All Mattapoisett Water Department Pumping station equipment has been insured against all risks.

TOWN BOUNDS

New State regulation requires that the town must mark all boundaries every 5 years. Town officials or an authorized agent must physically mark and date the boundary posts.

LIGHT TEST AT PARK

Because vandals have caused extensive, expensive damage to bandstand light panels at $30.00 each and breakage of the 300-watt bulbs behind the panels, a test is being made of an alternate method of lighting Shipyard Park. A mercury vapor light

Long before bagpipes came to Scotland, they were music to the ears of Persians, Egyptians, Greeks and Romans. After originating in Persia, they reached Rome through Egypt and Greece, and were introduced into the British Isles in the first century B.C. by Caesar's legions.

When the Roman occupation forces, according to the Teacher's Scotch Information Centre, were driven from Britain some 400 years later, the instrument fell into disrepute and disuse except for a few wandering minstrels, who were left holding the bag.

It wasn't until the 13th century that the bagpipe emerged as a popular instrument in Scotland.

is being tested to see if it will supply sufficient illumination for the park. If so, then the bandstand lighting system will be boarded up during the winter months to save the constant expense of replacement of damage to lights.

FISHERMEN'S LOCKER

Extensive repair has been done at the fishermen's locker at Shipyard Park. Vandals had roamed the structure doing considerable damage. Windows have now been sealed and steel doors installed which will be kept locked against the hoodlums who caused the expensive repair.

ROUTE 195 COOPERATION

Police Chiefs, Fire Chiefs, Rescue Squad heads and the Board of Selectmen of Marion, Mattapoisett and Fairhaven will meet to work out procedures to deal with 195 emergencies. Because of the limited access, one way nature of the highway it could be faster to have a neighboring town respond to an emergency in the town in which the accident occurs. Police and Fire Department will come up with plans to deal with the problem.

RADIO QUESTION

The Civil Defense will meet with the Board of Selectmen to discuss the $600. portable 2-way radio which has been ordered. The radio was never authorized by voters at the town meeting. Town equipment must be so voted or must come under the heading of an emergency.

RABIES CLINIC

A Rabies Clinic will be held this Sunday, June 24th, at the Mattapoisett Fire Station for Mattapoisett dogs. For information regarding time and fee call Dennis Sylvia of the Board of Health.

INVENTORY OF MEDICAL EQUIPMENT

The Mattapoisett District Nurses Advisory Committee is undertaking an inventory of durable medical equipment owned by the town and loaned by the District Nurses to patients of the town. Such items as hospital beds, commodes, crutches and bedside tables, which are in use by townspeople, should be reported to the Nurses' office, 758-6526, between the hours of 8:30 and 9:00 A.M. Monday through Thursday and

Council on Aging

Senior Citizens are reminded again that Room 202 on the second floor of the Mattapoisett Town Hall is open Monday through Friday from two to four in the afternoon for their convenience. Please drop in or call if you have any questions or problems. The telephone number is 4307.

Senior Citizens Club

The Senior Citizens' Club of Mattapoisett held a meeting Monday, June 11th, at the American Legion Hall. President Mrs. Sophie Sterling presided and reported on her Washington trip as Mattapoisett's delegate to the Mass Meeting of National Senior Citizens. Refreshments were served after the meeting.

On Monday, June 25th, there will be a "doggie" roast. Members wishing to attend please be at the American Legion Hall at 12:00 Noon and from there the group will go to a special spot for the roast. To make reservations and contributions for the "doggie" roast please telephone 758-4307 at the Town Hall between 2 and 4 P.M., the Drop-In Service Center, Monday through Friday. Volunteers from the Seniors' Club will be there at that time.

The meetings will be discontinued during July and August. The next meeting will be held at the Legion Hall September 10th.

ATTENTION: SENIOR CITIZENS OF MATT.

The following information is valuable to the Seniors and all citizens of Mattapoisett. President Nixon signed into law P.L. 93 - 29. It's the amendment to the older Americans Act of 1965 and this bill extends for three more years with such programs as Foster Parents, Meals on Wheels. This, S + 5 P-2L, was done by the legislature on May 3, 1973. This information is on page 5 of the June issue of "Retirement Life", put out by the National Association of Retired Federal Employees, and available to those retirees only! More vital information is in the issue. So keep up to date! Beg, borrow or steal a copy. It also states that no community shall be without transportation, hot meals, etc. Mr. Carl Wagner, a retired Federal employee, has a copy.

NOW - More information for Mattapoisett seniors and other citizens: The Federal government has already appropriated three

million dollars for Massachusetts. Other cities and towns are putting in their bid for a good slice of it and are going to get it. Mattapoisett will have to carry its share of the burden, so we should have a share of the three million. The only way to do this is to have a strong Council on Aging, headed by a leader with broad views, understanding, and knowledge on matters pertaining to older Americans, one with courage and persistance to study local benefit programs and ther interrelationships to State and Federal agencies and ask for a suitable budget to carry on the beneficial programs.

The Golden Agers have made possible the good, high standard of living that everyone enjoys today. They have knowledge and traditions to pass on. They have enriched your life. Now it's their turn.

NOW Pending - the half rate on plane travel that students enjoy for Seniors 65 years or older; also everything that students benefit from to also pass on to senior citizens.

Pops & Scholarships

The awarding of $1,500. in music scholarships by the Tri-County Music Association, Inc. was announced at the organization's POPS Concert Saturday night at Tabor Academy. Made possible by the proceeds from POPS and from the Sno-Ball held last December, the scholarships were awarded to Charles Hutchings, son of Dr. and Mrs. Charles D. Hutchings of Oakland Street, Mattapoisett; Scott Atkinson, son of Mr. and Mrs. Norman J. Atkinson of Hilton Avenue, Mattapoisett; and Kenneth Wilbur, son of Mr. and Mrs. William K. Wilbur of Tara Road, Mattapoisett.

Hutchings will begin studies in the fall at Harrt College of Music in Connecticut. Atkinson will enter the Berklee School of Music in Boston and Wilbur will begin his third year at Lowell State College of Music in Lowell.

Hutchings and Wilbur are members of the Regional Symphonic Band conducted by John R. Pandolfi that is sponsored by the Tri-County Association and played for the POPS Concert that had an audience of 575 people cheering and applauding and calling for more in Tabor's Hoyt Hall that was beautifully decorated with evergreens, mums and more than 1,500 marguerites.

The enthusiastic concert-goers were served by a group of attractive and efficient volunteer waiters and waitresses organized by POPS chairman Charles W. Ganzel, Jr. and Mrs. Kjeld Jensen.

The group included Karen McQuillan, Lynne Fisher, Judy Murray, Jacqueline Furnans, Jacqueline Sylvia, Mrs. Charles Posiviata, Mr. and Mrs. Michael Hickey, David Hagen,

July 8 Whist

A LONG AWAITED DREAM IS COMING TRUE

The new St. Anthony's Church is just about completed except for some interior work and decorating. Wednesday, June 13th, was the feast of St. Anthony, the patron saint of the church. On that evening at 7:30 P.M. a Mass was offered in the new church. Although the church has not officially had the "Dedication", we did celebrate and pray to give thanks for this new house of the Lord.

The Whist Party, July 8th, Sunday, at 1:30 P.M. will benefit the building fund. In addition to our usual array of score and door prizes we will have the Treasure Chest drawing. Books are now ready and can be obtained at the rectory or from committee members.

The church kitchen will be open at 10:00 A.M. Coffee, doughnuts and other refreshments will be sold throughout the day. Everyone is invited to view the Treasure Chest, have lunch and browse, and enjoy the whist.

The Treasure Chest contains many prizes, items in value of no less than $1.00 and going up to $100.00. Today we have on hand

Enrichment Program

LIVING HISTORY SUMMER WORKSHOP

The Title I Living History Summer Workshop at Old Rochester Regional Junior High School has several openings for students in grades 7-9 before the quota of 30 students is filled.

The program has been in operation for two years and is primarily designed to develop communication skills, identify and foster creative talents, a positive attitude towards learning, and an appreciation of the cultural facilities and activities in the area of southeastern Massachusetts. Student needs will determine the priorities developed within the general goals of the workshop: cultural, social and literary enrichment with skill development in photography, arts and crafts.

The program will begin July 2 and end August 3. The weeks' activities will be basically three days traveling (8:00 A.M. - 4:00 P.M.) to related program sites (theatre, art centers, newspapers and other communication facilities) using a problem solving approach. The remaining two days are (8:00 A.M. - 12:00 N) designed to assimilate the photographs, re-

cordings and other information gathered at each site; identify the focus of each field trip; introduce background information and interpret data collected into a mini course kit of student prepared slides, photographs, tape recordings and written material.

As a Title I project there is no cost to the students although transportation must be provided to and from the junior high school. Students interested in participating should contact Mr. Ronald Normand at the Old Rochester Regional High School before June 27 as to their eligibility and acceptance into this workshop. All participants will be notified prior to opening day.

THANK YOU

Members of the family of George C. Bradley, Jr. wish to thank their many friends sincerely for sharing their sorrow. Their kindness will always be held in grateful remembrance.

COUPLES CLUB HAS COOKOUT

Delightful weather contributed to the enjoyment of the excellent food and games, consisting of horse shoes, badminton and croquet, at the annual cookout of the Mattapoisett Congregational Church Couples Club. Approximately twenty couples were in attendance at the home of the Malcolm Campbells on North Street.

Dessert and beverages were provided by the Refreshment Committee which was comprised of Mr. and Mrs. John Denham, Mr. and Mrs. Robert Seeley, Mr. and Mrs. Peter Perkins and Mr. and Mrs. Allen Sherman.

GUEST MINISTER

While the Rev. Donald H. Finley, pastor of the Mattapoisett Congregational Church is on vacation, the Rev. Joseph W. Reeves has been invited to preach at three Sunday morning Worship services at 9:30 A.M. Mr. Reeves' first pastorate was the South Dartmouth Congregational Church. His sermon subjects for the June 24th service will be "The Arrogance of Jesus" based on

Police Association

President Bob Silveira would like to thank all those that enjoyed the recent Ham and Bean Supper for attending and making the event a success. The Mattapoisett Police Association has voted a special gift of thanks to member Mrs. Bea Ingram and her husband for personally selling over 225 tickets for the affair.

A $200. scholarship award has been voted to Steven MacLean, 7 Tobey Lane, for use while attending Bridgewater State College. Steve plans to major in Physical Education.

Meetings have been suspended for the summer months, as usual, and will begin again at the regular time in September.

Vacation Church School

SUMMER CHURCH SCHOOL

Yes--there will be a Vacation Church School again this year - July 30 to August 10, ten sessions, each five weekdays from 1:15 to 3:15 at the Congregational Church, sponsored by St. Anthony's Church and the Mattapoisett Congregational Church. "Created by God" is the theme of this cooperative series. A small fee will be charged per child for the ten sessions. The school is for kindergarten through sixth grade (placement determined by the school grade the child will be in in the Fall). Enrollment plans will be announced early in July.

Heartworm Warning

Summer starts the seasonal cycle of the deadliest parasite threatening your dog -- the heartworm. Unlike the hookworms and roundworms that generally cause little more than discomfort, this slender parasite can kill your dog before you're even aware he's infected.

Immature heartworms, called microfilariae, can be found throughout the bloodstream of an infected animal. Large accumulations of adult heartworms impair circulation of the blood, which can result in serious or fatal damage to a dog's heart, lungs, liver and kidneys.

You should be aware that a great deal of internal damage may occur before any outward signs of heartworm disease are noticed. While a dog can live an apparently

healthy and normal life with a few heartworms in his system, advanced stages of the disease may cause him to cough, have difficulty breathing, tire easily, become listless, lose weight, or faint. By this time a dog may have scores of adult heartworms in its system that very probably would cause congestive heart failure and death.

Once canine heartworm disease was considered a problem only in warm, mosquito-infested climates, but in the past few years it has spread to many parts of the northern United States and Canada as well. Because pets often travel with their owners and infected dogs can carry heartworms for several years, the disease is a potential problem anywhere in the nation.

The disease is spread among dogs as malaria is spread in humans. Mosquitoes are the only natural carriers for heartworms, and about 30 species can transmit the disease. Outdoor dogs constantly exposed to mosquitoes are the most frequent victims.

will usually reveal immature forms of heartworms. The best time of year to have your dog tested is in the late winter or spring. It takes from six to ten months, after the dog is bitten by the carrier mosquito for the heartworms to mature and begin producing microfilariae, so tests made immediately after the mosquito season might fail to show a new infestation. Having the dog checked in late winter or spring means he can be started on a preventive program before the onset of the new mosquito season, if he is not infected.

Most dogs can be treated successfully for heartworms if they are detected early. Prior to treatment, however, the dog's overall health should be carefully evaluated to determine whether the heartworms have already damaged any internal organ.

A dog with only a few adult heartworms might live for years without ill effects. However, he would be a health threat to other dogs in the area; mosquitoes would transfer the microfilariae in his system to other dogs in your neighborhood.

Several medications are available to prevent heartworm. Your veterinarian will suggest one proven most effective in your area. If it is given to the dog daily, in liquid or tablet form, throughout the mosquito season, it kills the larvae during their molt from the third to the fourth stage, while they are migrating through the dog's body toward his heart. However, it is essential that the dog be free of heartworms before he is given one of these medications.

Graphic Arts Award

STUDENT & INSTRUCTOR HONORED

The Providence Club of Printing House Craftsmen of Providence, Rhode Island sponsored a Junior Craftsman Awards Night at the Holland House in Warwick, Rhode Island.

Seven students and their instructors from high schools in Rhode Island and Southeastern Massachusetts were honored. Among these seven were Richard Barros of Old Rochester Regional High School and his instructor, Mr. Anthony Correia.

Richard, a member of the Class of 1973, was presented an award for outstanding achievement in the field of Graphic Arts. He is the son of Mr. and Mrs. Alfred Barros of 16 Barros Drive in Marion.

of Women Voters in Boston on May 23 and 24. Delegates representing 109 local league in the state voted to continue study of the administration of justice in Massachusetts, and to begin a new study of transportation.

Governor Francis Sargent addressed the Convention on May 24, urging Massachusetts citizens to continue their support for quality education, and criticizing recent legislative efforts to repeal or cripple the state's pioneering racial imbalance law.

Other Convention speakers included: Correction Commissioner John Boone, who received a standing ovation from the delegates, and Boston Globe National Editor

SCHOOL SURVEY PRESENTED AT LWV ANNUAL MEETING

Highlight of the annual meeting of the League of Women Voters of the Marion Area, held recently at the Beverly Yacht Club, was the distribution to members of the Education Committee's booklet, "Your Schools -- Marion, Mattapoisett, Rochester". An objective description of area schools, education programs, and special facilities, the booklet is the result of two years of research by League members in the three towns. Publication has been financed in part by contributions from local banks, realtors, and businesses. It was announced, however, that additional funding is needed. Members or friends who wish to help may send checks to Mrs. J. Alan Whitney, Box 532, Marion 02738. It is planned to make the booklet available to the public through contributing banks and business, and through public libraries.
